With reference to your "options for Mercedes", the following 2 options are included in the class S executive limousine version:

option "223" page 17: 3-seat back sofa with multi electrically adjustable side-seats with multi memory function, comfort head-rests with extra cushion (side seats), PRE-SAFE positioning function (side seats) and front passenger seat adjustable from the back,

option "p09" page 18: electrical back window blind and electrical sun-proof blinds on back lateral windows.

Please advise if I misunderstood your choice of options.

Best regards.
