What happens to a heavy smoker when he/she goes to prison?

Jim Christmas, Four years behind bars for another man's crime.

Written Nov 28

I will never forget what I saw an inmate do on the rec yard one day. We were waiting for a move. There were short windows at regular times when we could move from our unit t...

Why do airplanes use jet fuel instead of diesel or gasoline?

Israel Walker, Worker at The Human Race and Condition

Updated Mon

tl;dr answer: Jet fuel is 98% kerosene and 2% some additives. The reason for kerosene is that it is the "goldilocks" composition for the things that we expect jets to do: Ga...

Is the Trump Administration really this bad or is this the same way Bush and Obama were portrayed?

Joe Willmore

Updated Feb 17

Let's be fair and try to avoid partisan perspectives (Democrats will hate Trump, Republicans will hate Obama). Let's also admit that with only 10 months in office, it's dif...

What is the smartest thing you've seen someone do in prison?

Julien Durand, Ceo Sci D-R and Flyboy (2012-present)
Updated Mar 23

There was that guy, frail, despaired, obviously from wealthy origins, who arrived one day; he was very shaken to be in prison, even more so of having beaten his wife's side...

Can an airline crew detect if a cell phone is left on?

Steve Bazer, Captain at A Major U.S. Airline
Written Jan 3

No. The requirement to have them turned off from before takeoff to after landing is an archaic rule. They don't work anyway once airborne, and once the groundspeed exceeds ...

I caught my 14-year-old son watching Steven Universe. What should I do?

Emily Bulvin
Written Mar 19

What? I'm confused? What are you asking by what you should do? He's watching an age appropriate show, it doesn't have anything inappropriate in it. Oh, are you suggesting it...

What are some tricks used by waiters that most people never notice?

Greg Hvazda, works at Self-Employment (2002-present)

Written Mar 11

Eons ago, when I was a short order cook, at a 24 hour restaurant, we used to have regular customers at regular times. Once we got to know them, and know what they wanted on...

Who is the most corrupt politician in U.S. history?

Mac Tan, writer-forecaster at quora.com/q/elections

Updated Oct 14

Update 14 Oct 2018: Apparently Quora likes to give this answer a lot of facetime in the Digests, so I feel like I should say this now: isn't it cute what we used to conside...

How does Manhattan island not sink or crack from the weight of all the buildings on it?

Mark Decker, Digital Printing Hardware and Software Guy (1990-present)

Updated Dec 15

If you take a good look at the NYC skyline you'll notice that there are two distinct clusters of tall buildings, midtown and downtown. That's because Manhattan is built on s...
