Not happy he is asking about employment agreement as he is clearly feeling insecure about job security and trying to preserve 3 month severance if he were to be let go..I never sent him anything signed just an email outline of what we discussed.

Please advise. Thank you.

Rich-

I will work on that now. Could we please, finalize our employment agreement and sign off on it, so that we are on the same page and there are no issues.

Thank you,

Michael

Hi Rich!

Attached are receipts that have been paid using my visa. Included in them is a statement from my insurance showing how much was paid. Now that Kim has Amex, we should be using our Visa less.

Thank you,
Michael
