

Subjects for ■ Deposition:

Made a rape accusation in November 97. She was taken to the hospital in an ambulance for being drunk while she was truant and the cops found her and 5 other kids in a backyard at 10:30 in the morning. She told EMS that she had been raped. I believe she admitted that she had consensual sexual intercourse with the suspect multiple times prior to the reported rape. Investigation ensued and the State attorney declined to prosecute.

Made another rape accusation in February 98

Did not report for almost a month

Would not meet for police interview for almost another month after she reported the rape to her counselor

Did not want to identify the name of one of the suspects because his brother was friends with her brother.

The two suspects picked her up at her boyfriend's house, they got drunk and smoked two joints.

After the alleged rape by the two suspects in the car, she went home with one of the suspects and claims she was raped again in his bedroom while the suspect's parents and brother were in the house.

She told police that she told her boyfriend that she had consensual sex with the two suspects.

Her mother reported to the police that she had problems with drugs, was a runaway, was involved in a cult and the kids had problems with witchcraft and animal sacrifices

ASA Teresa Bowman decided to file a case because ■ lacked credibility and the would not succeed in the prosecution.

In March 2002 she was charged with theft involving her stealing \$313.14 from the restaurant at which she was working as a server.

She had a prior relationship with a much older man.
