attached is quote for palms and sod i sent earlier in the week

items still have not been ordered since i have not received your approval

the palm quote should have been changed to reflect three 15' palms and seven 12' palms
(quote below has it reversed with seven 15' palms and three 12' palms - i will have them change that)
the price remained at 250 for both the 12' and 15'
total cost 2,500

the sod quote reflected the change in quantity to 29,000 sq feet at 0.37 per sq ft - total cost 10,880 (with 150 inspection charge)
i know when we met you said price should be 0.20 however vendor would not budge on pricing
vendor states that their actual rate for 2012 is 47 cents per square foot - they are offering it to LSJ at 37 cents per square foot
In nov 2011 we paid 0.35 per square foot and they would not even honor that price

please advise
