4 weeks to go until Ci2015! Do you really understand disruption?

This is the one event that you must attend and send people to, because it is all about managing disruption, caused by new business models associated with the internet, technology and globalisation. This is probably the greatest threat your organisation will face within the next 5 years. Virtually every business and institution is threatened and yet disruption can also provide extraordinary opportunities for sustainable growth.

Understanding and being comfortable with disruption is a competitive advantage.

One day conference tickets starts from \$1,375, Deep Conversation start from \$125 & Master Classes from \$250 each
