Subject: hello from Oregon

Sorry I didn't see you in TEmpe.. but it wouldn't have been worth your time.. I thought my summary concluding talk was good, but other than that... :)
in Oregon reading the Feynman book for audiobooks.. 4 days in the studio..

wanted to let you know that results of tax audit are in: no change.. difference between my estimated taxes and their tax liability estimate after examination, less than \$1 over the two years!
:) So I am not in jail.. :)

hope to talk sometime soon.. still want to fly with you somewhere sometime.

happy holidays in any case.

Lawrence
