Subject: Mini issues lol

1. This girl [REDACTED] called because she couldn't get in touch with [REDACTED]. [REDACTED] was supposed to pick her up at 10 at camp and [REDACTED] wanted to let her know that she is no longer at camp and that she needs to be picked up elsewhere. (I tried calling [REDACTED] - no answer)
2. Spoke to [REDACTED] at Dr. Visco's office re JE's new patient paperwork, she said that the Dr.'s assistant mailed it out and sometimes the paperwork doesn't get to patients house before the appointment, in which case JE would need to fill out forms when he gets to the Dr.'s office. She is unable to email the forms and she knows its an inconvenience but "there's nothing she can do". How should I go about this?
