Hi Ladies, I'll collect a set from bed bath beyond. I phoned Lynn and she says they don't have blankets in storage and also the key is only with her and [REDACTED].

- (1) I'll get a set (twin) to be used for the sofa- and this can be kept for future use too.
- (2) Lynn and [REDACTED] can leave the keys in an envelope w the doorman here at 301 so we can access the storage when needed.

Xx

Hi [REDACTED]. I have emailed and texted [REDACTED] if she could help out with a sheet, pillow and blanket for Yoni's daughter who is sleeping on the sofa in 7J. These items may need to be purchased from bed bath and beyond? Sounds like extras are not kept around. Can you please help out here?

We arrived yesterday late evening.
The apartment is great.
Is't possible to have a bed sheet and a blanket for my daughter.
Many thanks.
