Good morning Lesley,

Hope all is well. I'm not sure if Jeffrey is still on here or not. If he is, I hope I'm at the airport when he's leaving. Can you ask him if he has anything for me that I can look into or engage in in the meantime while I wait for the course he recommended to me to start in January? I've been doing enormous reading on the fundamentals and research to keep myself engaged, but I don't want to detour too much into directions that are not efficient for me.

Thanks again and take care,

Hi Lesley,

Yes, I am working 9-5 today, so I will stay until he gets here and listen out for when they announce for a pre-clearance flight, that way I don't miss him pre clearing, so that works out perfectly.

Thanks,

Good morning Lesley,

Tomorrow I'll be instructing a class from 1-9pm for work, but I will make the time in the morning to come to the airport if he needs me to. I will be there before he gets there, since I won't be able to go on the ramp due to not being in uniform at that time.

Thanks,

Hey Lesley,

Could you let Jeffrey know that I completed the lectures as well as reviewed the documents that corresponded on ITunes University that he recommended me to. It is a wealth of information and could be intimidating at first, but it did the complete opposite. I'm more determined now than when he and I spoke last. I know it's a long road ahead, but I'm willing to take that road, because it's too important not to.

Please let him know that I really appreciate the guidance he's giving me and hope he's willing to continue to guide me in the right direction.

Thank you,
