Jeffrey is very easy going and wanted to leave it up to Martin...so this will be perfect! I just realized, Joscha is a vegetarian, so we can do the Chickpea fritter for both George and Joscha along with a big vegan salad...Jeffrey will want a hamburger...I don't know what Noam would like so I say get another Chickpea fritter AND a hamburger...let me look over the menu and I will send you a list of what to order...I prefer you to do the ordering to the timing of all works out. Be sure to add on any of Martin's favorites!

Hi Lesley,

Regarding the meal, Martin would like to know if something like burgers & salad from Russell House Tavern would work on your end. (They also have spaghetti and meatballs, pizza, etc.) I was told that their Chickpea Fritter can be made completely vegan, and their Caesar or Local Leaf salads can be requested prepared vegan – perhaps one big vegan salad with dressing and cheese on the side?

If this works for you, I'm happy to pick it up on Monday (it sounds like you'd prefer to place the order?), just let me know at what time it's been requested to be ready.

Tables, chairs, dishes, etc. is no problem at all to arrange on our end!

Hi Lesley,

Here are the most popular options:

Italian

Toscana

Sushi (& other Asian)

Thelonious Monkfish

Hamburger/Steak

Russell House Tavern

Alden & Harlow (still waiting for confirmation)

The above are among the best quality food available locally in those categories. Only Thelonious Monkfish delivers, but the others are a very short walk away and I'm more than happy to pick up.

Unfortunately, the usual on-site catering options require two weeks notice, but if you're not looking for full-service, the above are great. If you are, and you can provide me with specifics regarding budget and what you'd like to order, I'm happy to call around and see if anyone can be persuaded.

Hope this helps! Again, don't hesitate to let me know if there's anything else you need from me.

yes, of course...sorry, I should have mentioned. It will be small...right now I it is 5 people. I would have food for 7 as Jeffrey is bringing assistants with him and he may ask another guest...and one of the guests is Vegan!! so we need to accommodate...

Hi Lesley,

Can you give me an approximate head count? I just want to confirm with these restaurants that they can commit to that size party on Monday evening before sending.

Katherine, could you give us a few restaurants choices that would cater a meal on Monday March 23rd? An italian place, a sushi place and a hamburger/steak place would be good...if you could send the links also, that would be tremendous...thank you! Lesley
