Hi Mike. We are still accumulating quotes and trying to digest it all. I do think we want to go hydro seeding route...some bushes and some screening but a lot will need to wait. Also, my husband says he doesn't like pine trees because they get too big and unruly. He wants arborvitae trees along the back. We are going away for spring break ... But we will be in touch. Thx

I wanted to check in with you and get your feedback about the estimate we had sent. Carlos and I are available weekends going forward.

Look forward to hearing from you
