Hi Ray. Hope you are well. I have decided for sure I want you to provide a mirror for the butlers pantry area. I am not positive when the electrician and sheet rocking will be finished ...but I know I saw a new hole for the electric box to move over.

-I want you to provide a mirror for the guest room. Really large so the sconces can be installed on top and I want the mirror to be high. Maybe I could meet you over there and we could measure together? I will be at the house on Monday march 31 at 10:30 for a couple of hours if that might be convenient for you.

-the mirror in my closet I want moved to my husbands closet. I have decided I want to purchase a "leaner" mirror instead

-I think we still need the shelf in our shower also.

-we hope to move in beginning of may.. This is when I will want the 60" round glass delivered for our table!!

Thanks so much. [REDACTED]
