Yes, he told be to put the Boeing in for Mx, so he is aware of this, the Helicopter will be new to him, but I do it every year at the same time,,  
I'm just covering myself, since JE wants all scheduled airplane Maintenance included on his calendar for reminders thx

can you place these dates on JE calendar as reminder?

-February 24th 2014 , fly Boeing to Brunswick GA for C check inspection and engine overhaul, down time is 8 weeks estimate, 45 days required for engine overhaul inspection on #1 and #3 engines.

-April 1st 2014, Bell 430 Helicopter is due annual inspection, I will fly to Fort Lauderdale for inspection, down time 2 weeks.
