Hello [REDACTED]

I hope that you had a fabulous Thanksgiving! I wanted to check in and let you guys know that the ballet fund has run out mostly because it's been a very busy month for [REDACTED]. They had the Nutcracker performances this past weekend Friday Saturday and Sunday. It was a wonderful production !

We have seen lots of strains and sprains, tired backs and sore feet to say the least.

We wanted to check in and see if Jeffrey would kindly consider a ballet fund for the professional dancers again as it has been exhausted.

As usual please extend the offer to Jeffrey that the Doc and I would be happy to come and treat him. As of yet he has not taken us up on the offer.

Below is a (not so good) picture of the stage with the principle dancers doing Sugar Plum. Both are grateful for the treatments! As we are to work with them too!

Thank you very much!
