Subject: Bulls Schedule Change

Nice hard fought victory by the boys on Sunday. The game was physical and our boys played tough.

Due to a conflict with the YMCA games that start Saturday we will not be practicing this Saturday afternoon. We will instead meet a 8:30 am on Sunday to prepare for our two games.

If anyone needs a ride please let me know.

We also have a conflict for Saturday December 14 and we are working on rescheduling that game and practice.

Have a great week everyone.

Brian
