Subject: we may need fund

[REDACTED] I had to transfer \$60,000 from our account to Bob...we are now left with \$83,511 in our account...should I ask the Bank to transfer \$100,000 to us?

Bob now has \$79,643.00 in his account. the \$30,000 check Bob wrote for the street work has still not been cashed.
