Good Evening Guys,

We'll sorry to say the painting is to heavy for us to move up to the 2nd floor. We have relocated it to the garage at the MH, if we all help we can move it around, but unable to get it up the stair line. We will forward options extra as soon as possible

Warmest regards

Karen

*Good Afternoon to All,
Confirming that crate has arrived, with
painting, no damage
Does anyone have any direction on where
it is to be located? Given the crate size at
present it is in the Fire House
Thanks
