Subject: tile install

TILE INSTALLATION

Below is SUBJECT TO CHANGE~! All should be discussed with the installer and some on-site decisions will be made!

MASTER BATH

12x24 Carrera Marble Tiles, installed in a herringbone pattern on the bath floor. Shower will be brick pattern.

TY'S ROOM (Bath #2)

12x24 Porcelain Tiles, installed in a herringbone pattern on the bath floor. Shower is 3x6 subway tiles laid in a brick pattern. There is a bubble accent piece laid around the tub, at eye level in the shower and around back splash of vanity.

GUEST BATH (Bath #3)

12x24 Porcelain Tiles, installed in a brick pattern on the floor. Shower will be the same 12x24 tiles with an accent of 1x1 strip of tiles laid in an every so often pattern (See illustration)

NANNY'S BATH (Bath #4)

*12x24 Porcelain Tiles, installed in a brick pattern on the floor and in the shower.
No border or accent pieces.*

GAME ROOM BATH

6x24 Porcelain Tiles laid in a brick pattern.

1ST FLOOR GUEST/POWDER ROOM

12x12 Carrera Marble tiles cut to 6x12 laid in a brick pattern.

1ST FLOOR MUD ROOM BATH

12x24 Porcelain Tiles installed in a brick pattern

MUD ROOM

12x24 Porcelain Tiles installed in a brick pattern

BASEMENT BATH

Can this be a pop in Fiberglass shower instead of tile?

Tile chosen is a 12x24 porcelain tile for floor installed in a brick pattern. The shower is 3x6 subway tiles. No boarder.
