Bruce,

I have revised the presentation to reflect the changes we discussed on Friday. Lets arrange a call to discuss next steps once you have had a chance to review.

Still waiting to receive Aaron's info. I will add it once I receive.

Aaron,

When would be a good time to schedule a call? Also, if you could email me a short bio/resume that would be a great help. Am trying to finalize the presentation this week and I want to include your details in the presentation. I have included my resume to give you some background info on me.
