Dear [REDACTED]

Ok then to reduce the cost, and if the painting is not fragile (without glass), we can propose you a shipment through FedEx, then our estimate would be :

200,00 €	Collection under protection at one place in Paris
780,00 €	Building of one case and packing (estimated dimensions : 133x23x158cm)
270,00 €	Customs formalities for definitive exportation
960,00 €	Charges paid to FedEx for collection at our address, transport and delivery at Stanley NM
150,00 €	Agency and file fees

2 360,00 € **Total**

Not included in our offer :

- Insurance
- Work in overtime hours
- Plus-value tax (a French tax for works valued more than 5 000,00 € and
belonging to a private person)
- Unpacking at destination
- Customs fees in the USA to be paid directly to FedEx

I kindly inform you that our terms of payment are in advance by wire transfer.

Should you need any further information, please let me know.

With best regards,
Yasmina

Dear [REDACTED]

I confirm you that we finally well received your email.

Thank you for your request and we prefer advising you that if we provide you with a quotation, our estimate will be much higher than the value of the painting.

Do you still want an estimate for us ?

Thank you and best regards,
