Yes we need to ship this painting from the Paris house to New Mexico. He says it should have taken me 5 mins to organize but it is tough dealing with the French.

DHL and UPS wont do it, they say they will only do business to business.
Air sea packing which you found say I have to deal with their Paris office even though they do have an office in NY. So back to dealing with it from that side. I am waiting for their quote and have been in touch with them every day.

Today I thought of shipping it cargo with Air France.
They wont help me from US side only Paris side on
Monday.
