Hi! OMG...sorry for the delay! I was busy yesterday off my computer and just now sat down today to bang a bunch of stuff out!! Oh bummer on the Saturday dinner deal. I need to run that all by [REDACTED]...here is the main issue AGAIN...ND plays at 8PM that night. It is actually unusual that they have had back to back games at 8PM. Most of their games are at 3:30 in the afternoon. He is going to want to watch. Furthermore, of course, [REDACTED] will be here. Sometimes their family is a bit weird about being with other people whereas with my parents they love to socialize! Anyway, I just don't think we will have much time in between end of game and start of ND game...I think we may have to go our separate ways :(!!! I originally was thinking we could to CS Friday night but I just got the reminder for the Costco party we have that night. We will go but probably not for too long. In fact, I don't even have a sitter lined up so who knows if we will actually go! On that note...I can definitely get [REDACTED] from the bus on Friday. What time do I need to be there? And where exactly does it drop him? I will bring him back here and we can wait for [REDACTED]. They can then play for a bit before I take them to football. As for next weekend...I have that wedding reception at [REDACTED] for [REDACTED] and [REDACTED] that night. My friend, [REDACTED], is coming out from the city to finish the shelf decorating and hang for the weekend. She will stay with [REDACTED] while I go to wedding reception. She will go with us to the game too!!

OMG...can't believe the stone is up and I haven't been by there this week for some reason! Darn it. Will make a point to drive that way today! PS. I was confused earlier in the week when you texted me about the garbage pick up for the game because I also volunteered so I was thinking you were meaning me picking up trash or something...anyway, [REDACTED] said you beat me to it! Are you guys going to the game tonight? Maybe just [REDACTED]? I am not sure yet what we are doing.

Maybe Would y'all want to join at our house? On another note, I know [REDACTED] will be out of town on the 21st and we could get together then also after game?
