Hello [REDACTED]...I know you are about to take off (but I'm sure you can see this once you arrive Miami) You will now be picked up via Jeffrey's pilot, Larry Visoski. He will take you in Jeffrey's helicopter over to his island. Larry is tall and thin with grey hair and a nice smile (really nice man!) His cell number : [REDACTED]. Larry will have a sign with your name on it.

Have fun,
Lesley
