Title: August Update from Linear Air
Online quoting tool is back up!

Hi Jeffrey,

Our "Price Your Flight" tool is now back online at fly.linearair.com/quote. I saw you registered during a period of heavy traffic, and I apologize if it was unresponsive during your first try. I hope you give it another shot to compare your next trip.

We're still in beta and are constantly working to improve. Please reply or shoot me a note if you have any feedback or questions. We hope you stay tuned as we expand our service and enhance our technology. There's always a new version on the horizon.

-Devon

Air taxi makes life easier for smart fliers

Being a passenger on the commercial airlines can be rough.

- Delays are common; A fifth of flights aren't on-time.
- Airport security is intrusive and time consuming.
- Flights are increasingly limited to the big commercial hubs.

End the saga of bad airline airline stories. Experience a new travel option. Discover how smarter travel can *make your life better*.

Making weekend trips convenient for two local CEOs

Julie is the CEO of a technology company who needed a recurring solution between her office in Burlington, MA and her summer home on Nantucket.

Paul is the CEO of a manufacturing company that frequently spends his weeks on-site in Waltham, MA, but needed to spend weekend time with his family in Cape May, NJ.
