Hi [REDACTED]
Regarding Jeffrey's cc# perhaps if its not too much trouble, would you prefer to book with Linear Taxi directly <http://www.linearair.com/contact>. I would do it myself, but for confidentiality reasons, it may not be appropriate to share Jeffrey's cc information with me. Let me know your thoughts.

To re-confirm ..

Sept 4, 2013
Dep NYC Laguardia Airport at 10:30pm
AR BOS Logan Airport 12:00a

*btw - On the reservation site it also asked for the passenger's weight. My guess for Neil is around 180 pounds.

Thanks
Theresa

Theresa, Jeffrey has replied he would like Neil to take the Air Taxi at 10:30pm! Shall I call you with Jeffrey's cc #? I will call Robert and book the US Air 2155 flight

Hi [REDACTED]
Do you know how late Jeffrey and Neil will be meeting? Neil can come back on the 9:00p flight on USAir. Roundtrip \$273 or if Jeffrey needs Neil later than that Linear's Air taxi is available bit a bit costly for a one way (@\$3000 one way from NYC - Bos).

Let me know.
Thanks!

I could come down on:

US 2155 BOS 4:00P LGA 5:18P

or:

US 2157 BOS 5:00P LGA 6:18P

as Jeff prefers, and I could return on:

US 2164 LGA 9:00P BOS 10:11P

If he'd like me to able to stay later, that could be an air taxi:

<http://www.linearair.com/>

For US Air, ID is Neil A Gershenfeld, DOB is [REDACTED], and I use my United
FF# [REDACTED]

I can arrange a car service to/from airport in Boston, can you do in NYC.

Neil

Of course! Theresa, you just let me know what airline and flight #... I need Neil's full name as it appears on his ID and his birthdate! I can book the flights.

Thanks, [REDACTED]
