Subject: 71st Street is Ready!

I spoke to Lyn and she is at the house...there should be plenty of room in the fridge/freezers for you! I told her you would be sending someone over in about 30 minutes....Also, Lyn says you were asking for maid help for about 3 hours in a day for 2 weeks...Lyn has someone for you if you are still in need.

Lyn is at the house: [REDACTED] if you wish to speak with her.
