Good morning Lesley! Okey I'll do that once I get done here in 71st or I'll start tomorrow morning! I'm pretty sure we have some detergent for dishwasher but probably under the sink on the back of the other cleaning stuff, but I'll double check it and pick some up later on. Thanks!

Morning! 11B is now available to clean...Bobby is on his way to the airport. He said he left a few dishes in the dishwasher...he would have done them but we had no detergent. [REDACTED] can you please buy some detergent and make sure on your next rounds that each apt has a small amount of detergent?

Thanks, Lesley
