Hello Yeon. Jeffrey Epstein would like a luxury hotel for the night of Aug. 7th in Seattle (check out on the 8th). We tried to book him the Four Seasons hotel, but unfortunately, they are completely booked. The Four Seasons suggested the Fairmont Olympic Hotel and the Hotel 1000...but Jeffrey requested I ask Boris what he thinks...

Any help you can give would be tremendous. Jeffrey usually takes a suite and one regular room (for assistants traveling with him) If possible, I always ask for the room to be adjoining, but it is not imperative. Just providing you as much info as possible!

Thank you,
