Want to keep you in the loop!! Jeffrey is investigating getting a heli today and coming up to Bard!! I see on my itinerary that Leon's opera is once again today at 3pm...I'm thinking Jeffrey hopes to attend (I am guessing, but it does make sense!)

Would it be ok for JE to attend if this all works out? I would also think he may bring a couple of pp with him...

Let me know!

Thanks, [REDACTED]
