Yes I will pack his ice cream , muffins , butter spray, cookies) [REDACTED] also have prepared some fresh muffins in PB. He drinks sometimes a ginger drink so I made some fresh to take to PB . Fresh mozzarella he wants to take , his favorite coconut water . Also I made him chicken salad , vegetable salad (he likes) and steak for lunch . Some food for pilots . True , thank you [REDACTED] for saying that:) let me know if you think of something else to take w him on the plane . I checked his black bag . Everything charged . Thank you

It is a very short flight and just Je. [REDACTED] often he only wants his muffins and ice cream. I would ask him exactly what he would like for the plane and whether he would like you to pack up all of the ice creams for palm beach. Remember to pack butter spray!!!!!!

Lesley thank you but I don't think it makes much difference with food that [REDACTED] aren't there. They never really have anything to do with it from what I can tell. The girls always do a great job of doing his breakfast and every other meal for him :))))))
