At the current time, Jerry's first appointment tomorrow is at 11:30 a.m., so he may be in the apartment until around 11:00 a.m. I hope that is not a problem. I am trying to schedule an additional appointment for earlier in the morning and I will let you know if that happens.

Hi 

Jerry's train gets in at 10:45 a.m. today and he may want to head to the apartment for his lunch meeting. Does that work? If it is a problem, he said he would wait until later in the afternoon.

I haven't set his return train, but I will let you know as soon as I have.

Thanks.

Gi
