Lesley,
do you have apt for pilots tonight? Dave said the Air conditioner in 8A didn't work, it was only [REDACTED] degrees in the apt with air on full. I stayed in 11B and all worked great!!
I was going to have Dave remain in NY until departure on Wed Morning,. I only need two apt for tonight and two for Tuesday evening when the other rental pilot (Billy) arrives to fly with Dave on Wed.

let me know if we have apt,,
thx
Larry
