Happy Tuesday Lesley,
Danny Vicars will be acting manager, and staying on island at night. His cell numbers are [REDACTED], or [REDACTED].

Carlos Rodriguez (340) 513-4309 and Ramon Linderman (assistant boat captain) 787-585-6275 will also be on duty during the day, and Ramon, only if JE is on site, will overnight simply because Danny does not drive a boat and we want to always have someone on site in the event JE should need to move about by boat after hours.
