Yes, there will be a caprese salad, a grain salad and a green salad, sliced fruit, different types of frittatas and scones. Coffee, tea, etc...

I hope that is to their liking. Let me know if there is something specific to be added.

Thanks,

Catherine

awesome! thanks so much...and I know we spoke, but to reiterate, I do think it would be nice if there were salads to go around for all! :)

Perfect. Thanks very much. I am assuming that the five guests will join him for the meal, right? Also, there will be two cars with drivers available for them while they are on campus so that they are free to move around as they wish.

Hi [REDACTED]

I was just wondering if you had any news about what they would like to eat upon arrival.

Thanks so much.

Thanks.

On another note, as they are arriving at 11 AM, Leon would like to know what they would like to eat before the 1 PM Opera talk. They can have a brunch at the house, for example. If that sounds good to them, please let me know what they would like. Or if they have another request, that is certainly fine as well.
