Wonderful! Those numbers are correct. I will leave his name at security so that they can let him up without having to call us. I will be here that day until about 5pm, he can reach me until then at [REDACTED]

Meghan, Jeffrey says he can meet with George at 5pm on Friday at Harvard...

May I have George's current cell number and a number to reach you at as well on Friday? As soon as I know what assistant of Jeffrey's will be going with him, I will pass along her number to you....I think Jeffrey will want to meet at Martin Nowak's Institute, but need clarity on this as well...Hope to be back to you soon.

5pm specifically. He will be out of his meetings by 5pm.
The earliest would be 4:30 if I switch his last few meetings.

Hi Meghan...Jeffrey just answered me that he will not arrive until 1pm on Friday...so I think we need to focus on meeting at 4pm (right? that is when George will be available again)...

Hi [REDACTED]
What time? It would be great if it

was in the morning. He will be right down the street at the Broad INstitute form 9-10:30. He could meet with them then.
