Subject: Reminder: 8A and 11B are ready to be cleaned

Morning! Just a reminder that 8a and 11B can be cleaned today. Bobby Slayton is due to arrive on July 28th for apt 11B

[REDACTED], can you have a look at 11B's bathroom? Larry emailed end of last week saying the tile is all messed up...chips in the tile...do you know what happened there? It is a relatively new apartment..

Thanks, Les
