Subject: SLK Design question...

Hey [REDACTED]! I was wondering if it would be ok with you to use the SLK Design tax ID number for when I purchase lighting, rugs, etc for the house I am building...I have been told if I have a designer w/tax ID I can receive 10% or more off of things...I ran it by Darren to make sure legally it was ok...he said he sees no problem with it...I asked JE and he said yes, but to ask you also...

LMK!

thanks, Les :)
