Terrific. Thanks so much. I believe Jeffrey will be driven to his appointment with Neil and Reid via car service... he and his assistants will just be dropped off...so no parking permit would be needed, correct?

Leslie,  
The address you have is the the Center for Bits and Atoms. If anyone is arriving by car, let me know by Thursday so I can send a parking permit. Take the elevator to the 4th floor and take a right off the elevator and we're the first door on the right. You'll see the office name on the door. For your reference, I have attached an MIT map.  
Thank you,  
Theresa

They are both cc'd here as well.

Neil has confirmed the address Jeffrey is to meet him and Reid Hoffman at this Friday at 1pm is 20 Ames St., Room E15-401...can you tell me, is this MIT-The Center for Bits & Atoms? Any other logistical information would be great.

Thanks, Lesley
