Glad it works. the cut is from the movie, the original recording. You can "vamp" the song the way they did in the movie, but then, that is not at all necessary, I'll bet you guys can vamp with the best! NO DIRECTOR NEEDED!

Love you,
Dad

Good morning!
The Sisters CD is currently playing on my MAC in the family room. . . the one I have here in the kitchen doesn't have a CD player. Anyway, it had to download and perform a series of 'things' before it played -- so perhaps [REDACTED] and I just got a little impatient the other night. But it works just fine -- I think that is the cut from the White Christmas movie (it sure sounds like it).

[REDACTED] you didn't keep your CD, I'll bring it over when I come pick up [REDACTED] earrings. . . maybe tomorrow after work? Are you available?

Enjoyed speaking to you yesterday. Sounds like everybody's going to have a wonderful summer! Please try out the CD and see if it actually plays in your equipment. I'm pretty sure I checked everything here before I mailed them but sometimes things just don't work the way they're supposed to. If you can't get them to play I'll certainly find another way to get the music to you

Love you,
Bax

Hello everyone!

We dropped off a VERY excited little girl today at Ranch Camp! She woke up with a jolt this morning and bounced around all morning until we left at 11 am for the 2+ hour drive to Colebrook CT. We stopped at the little diner for lunch, as we have every year -- def. tradition now.

The Ranch camp bunks really are nicer as she had been told. She has a top bunk above a little girl named [REDACTED]. [REDACTED] had been there last week and found out that [REDACTED] was coming to join in the second week (ie. [REDACTED] only week for ranch camp, but it is typical for a 2 week session). Anyway, [REDACTED] has a booming personality and wanted [REDACTED] above her specifically because *her middle name is [REDACTED]*. I think they will be taking turns having the most energy in that cabin.

The way to reach her this week (if you so desire) is:

Camp Jewell YMCA
6 Prock Hill Road
PO Box 8
Colebrook, CT 06021-0008
ATTN: [REDACTED] Bunk 'Clydes'

I will email you with a new bunk # next week, as she will move to Traditional Resident camp. I will email you Braden's as well. Braden saw one of his counselors from last year and he was amazed at how much bigger Braden looked from last year.

If you would like to view photos of Cassidy and Braden during their camp stay go to:

[REDACTED]

Love you!

Ashley
