Hi [REDACTED]

Sorry I haven't responded. I have been in and out of the office on-site all day without great reception.

You have alot of square footage and alot of linear footage. It adds up quickly. If you look at your quote again, I gave you options for cararra and the upgrade for statuary/calacatta pricing. I priced it separately for you.

I will be back in the office around 1 tomorrow. I will start working on the pricing for your vanities. Let me know if you have any other questions.

Thanks,
Vicki

I also looked at Caldia Marble, Venatino Marble and Everest Quartzite w/Manny...are these in the same category at Carrera or is it more like the price of Statuary?
