**Subject:** Fwd: dryer vent

are we buying a new washer dryer? I for sure do not want the ones we have now...they need to stay anyway if we are going to rent  
We need to go see the house(s) on Sat...or maybe i can go tomorrow with ty. i'm sure he would be psyched

Are you bringing your washer and dryer with you. If you are I need to know where you want to put the dryer in the laundry and where is the dryer vent located on your dryer so we can run the vent for it.

Did you see the stone yet?
