Need time with electrician on Friday. We should go through the plan and see where you want cable and telephone.

Hi John! Great to hear you will be coming up...it is possible both Ike and I can meet with you at 10am on Friday...we need to see how the work week pans out and will let you know. We will keep our fingers crossed.

Thanks, [REDACTED] and [REDACTED]

Any chance either of you (or both) could meet me on site if your work schedules could perhaps jive this week? I am going to meet Bob onsite, and would like to walk the house again together if it's at all possible.
