Morning [REDACTED], Lyn and [REDACTED]! Wanted you to know [REDACTED] has left and apt 10B can be cleaned. She left us the blow up mattress and pump...actually not a bad thing to have. Possibly it could be kept under the bed? We need to make sure the extra sheets, pillows and towels are put back in the apartment they belong ([REDACTED], please coordinate with [REDACTED])...

At the moment we do not have another guest arriving until July 19th ...[REDACTED]
[REDACTED] will be coming back to stay in 10B the afternoon of July 19th ...and Bobby Slayton will come July 28th and stay in 11B until Aug. 5th.

[REDACTED] should be getting her phone today or tomorrow...
