Gee how on earth did that happen..

Really sorry would you mind deleting it please as confidential

My gosh...please accept my apologies...

Lea

Hi lea! I think you accidently sent to me?!

Also, Jeffrey has not answered me on the July dates as of yet, but I did remind him you were asking yesterday! I think as the dates approach we will know better. Take care, [REDACTED]

Hi Karen

Perhaps when you have a moment we can go over this together?

I wanted to prepare a draft for him just in case he asked when in the office today...

Thank you.

x
