great we'll do big dinner SAT.nite. Mike usually gets home from golf early and me about 4 but can cancel depending on what time you think you will be here. If you go to the market moz would be great. Martie

Hi Martie. I am feeling better but the cough is stubborn! Thx for asking.

We are available to come for dinner and spend the night next sat 6th! Ty has baseball in the morning on the 6th and then Friday night lights on Sunday with Ike at 5:30. So it will be perfect! Will be nice to see y'all.

Let me know if we can bring anything. The farmers market is open and could get some yummy moz! :) [REDACTED]

Thanks for the thoughts on MAggie. I still keep looking for her on the sofa.

How is your bronchitis? Hope you are all better.

Figured you were the person to ask about when you could come up here for dinner. Dan said some of [REDACTED] sports things are done but don't know if that is really true. We are free the 6th and 7th. the 13 we have our neighborhood block party but Sunday is good. the 21 we leave for Alaska and will be back aug1. Let me know 'cause we would really like to see you.
