i like but change your language to say our office is closed not tomorrow but on
July 4th
looks good..

I know below is a question, but I kinda feel like he likes to be asked
instead of told?...it does leave us vulnerable...what do you think?

STC is closed tomorrow and Thursday...our office is closed tomorrow and there
was confusion to if we are closed on Friday...we were hoping it would
be ok to close Friday July 5th as well.

Would it be ok for the NY office to be closed on July 5th? (STC will be open
Friday, and I always have my cell w/me and will forward office # to
me..)
