They've been to Cirque here and loved it. Cool--we'll skip the shows and just walk around Times Square which is a show in itself.

If you want to do a musical go for it...I think they are too expensive and Ty has already told me he does not want to go to anymore musicals...not his thing...Cirque de Soliel is really cool, but not sure they are here...

yes, the fireworks is in the evening once it gets dark, but you can start congregating and having fun at 5pm...so if you can get in early, that would be great. Closest airport is Westchester Airport (HPN) It is also called White Plains..but I don't think you can fly direct there from DFW...next is LGA (Laguardia) then JFK...you could even look in to Hartford, but I think that could cost more? not sure...I told Ike and Ty and they were both psyched!!

bringing

cookout and
do fireworks

in CT with
you guys
