I personally would prefer a cold steak salad, but I really don't think JE would...I have left a voicemail for [REDACTED] to please give us her opinion as she is the one who really cooks for and takes care of food things for JE... I have never ordered a steak salad for JE when it comes to lunch...I have ordered tons of hot steaks for him however...Hang in, I appreciate that Steve is trying to do something nice :) I may just ask Jeffrey outright.. [REDACTED] sleeps in till about noon...so hopefully we should be hearing from her shortly...

Steve wanted to run this by you...

What about cold steak salads since it's 80 degrees out? We have a great steak salad from Strip House Midtown on the lunch menu and I can send some sushi as well which I'm sure the guys would like. How does this sound? Or we can just do a hot steak also, might be heavy for 80 degrees out.

Morning Erin! YES! we have an answer...as of 1 minutes ago...he says : Steak!
It will be a real mans lunch ;) [REDACTED], who is cc'd here, can help you with preferences ([REDACTED] used to work for Steve) ...she knows what JE likes. At the moment we have 5 guests total, but we always like to plan for a couple more just in case. [REDACTED], can you please touch base with Erin...we usually have the steak brought in rare so Lyn can fire it to the proper temperature and serve it hot.. [REDACTED] do you think with a party of 5 guests that is still ok to do?

Jena cell: [REDACTED]
Erin office: [REDACTED]

The lunch is at 12:30 on Thursday May 23rd at JE's house, 9 East 71st Street between 5th and Madison..

really appreciate your help!
