Dear Jeffrey

After a wonderful six year collaboration with Mack Scogin Merrill Elam Architects, Michael Mayer of Franz Mayer, the General Services Administration and our good friends Judge Andrew Austin and Judge Lee Yeakel, "The Austin Wall" is ready to be unveiled.

See the invitation below from the City of Austin and some of its leading cultural organizations to attend the unveiling ceremony on June 18th, 2013 in Austin, Texas.

We hope you can join us in the great city of Austin for the celebration, and of course for some music and barbecue. Direct flights are available from most cities, and special rates have been negotiated at several local hotels. Please contact studio manager Jaime

Endreny at [REDACTED] for information.
